A Great Way to Support the Cause

We believe that the lakes, rivers and streams that we enjoy in Southeast Michigan are important to the vitality and quality of life in our region.

Great Lakes Guardians was established to protect and preserve these natural resources by promoting water resource stewardship.

Great Lakes Guardians accomplishes this through grant programming, scholarships and educational programs to ensure that these resources are protected far into the future.

11th Annual Golf Classic

www.greatlakesguardians.org

Please join us for a fun-filled day on the course, complete with an 18-hole scramble tournament, contests, great food and an awards banquet – all while supporting a fantastic local cause!
